

Delta's

Neighbourhood Emergency Preparedness Program

Intro to NEPP – Preparing Yourself & Your Neighbourhood

Delta Police, in cooperation with Delta Fire & the Corp. of Delta are hosting a seminar on the Neighbourhood Emergency Preparedness Program, or NEPP. It will help prepare you and your family to weather the first 72 hours of a disaster – the critical time when emergency responders may be overwhelmed. NEPP then explores how, in cooperation with your neighbours, you can work with a team to mitigate the threat of a disaster and increase your ability to respond to the event in a collaborative effort. The seminar is **open to the public**.

Seminar Date: Monday, February 20, 2012 from 7:00 p.m. to 9:30 p.m.

Guest Speaker: Dr. John Cassidy, Research Scientist with the National Research Council – Geological Survey of Canada. Topic - Earthquakes

Location: Public Safety Building located at 11375 84th Ave, Delta. (Seminar to take place on the second floor EOC room)

Cost: This is a free seminar, with door prizes.

Registration: 4:00 pm. Monday, February 13, 2012 to your local CoPS office.
(Registration not necessary but greatly appreciated)

Come re-acquaint yourself with your neighbours while gaining valuable, education. Refreshments provided. Please contact your local CoPS Office at:
