### **Delta Police Complete Investigation into Corporation of Delta On-line Survey**

On May 04, 2010, the Delta Police received a complaint regarding the electronic community survey being conducted by the Corporation of Delta in relation to the development in the Southlands area.

The complaint(s) originated on the basis that the electronic survey was fraudulent as it did not record the responses of the participants correctly therefore not reflecting accurate data.

As a result of the investigation conducted by the Delta into this allegation, there was no evidence to support corruption or fraudulent activity on the part of the Corporation of Delta or Corporation staff.

Delta Police have concluded their investigation on this matter and are satisfied there was no criminal offence committed.
