Late Night Checks Curb Violators

The Delta Police Department once again is participating in the ICBC sponsored initiative – Counter Attack. Established to reduce the incidence of late night impaired drivers and traffic violators, Counter Attack has been very successful in Delta targeting problem areas and identifying problem drivers.

Last Saturday night six officers set up at a variety of location in north and south Delta resulting in:

- 12 – 24 hour suspensions of drivers licenses for consuming alcohol
- 1 – Criminal Code charge for impaired driving
- 13 – violation tickets for various traffic offenses

Counter Attack will be in operation again this weekend with officers stopping cars looking for impaired drivers and traffic offenses. The Delta Police Department is pleased to partner with ICBC in this important program.

If you plan to drink – DON'T DRIVE!
